MONWANA GAME LODGE

Located next to Greater Kruger National Park, within the famous Thornybush Nature Reserve is the award winning Monwana Game Lodge. This elegant lodge is the ideal getaway for honeymooners, couples and families wanting to experience 4-star accommodations, gourmet cuisine and the ultimate in "Big Five" game viewing.

Monwana Game Lodge is designed with Africa in mind, from draped bed posts to wraparound wooden verandas. After a day's game viewing our guests spend their evenings either watching herds of impala stroll by in the comfort of their own private decks, spending quality time with their little ones in the privacy of their own front gardens, or enjoying candle lit intimacy with a significant other - while our personalised service and world class cuisine wait on you.

Monwana Game Lodge also hosts an outdoor swimming pool just a minutes' walk from all suites and central Gazebo. If the ultimate weekend break is what you're after, guests can soak up the delicate sounds of birds chirping and cicadas singing under the African sun on comfortable pool loungers in between game drives.

Monwana Game Lodge is Thornybush Nature Reserve collection's most homely operation, ensuring personal service, unpretentious comfort and World Class Safaris. Whilst the size of the Lodge and central Boma and Gazebo decks attract relaxed socialising, the configuration of the self-contained luxury suites provides for privacy and a pleasurable retreat.

At Monwana Game Lodge our motto is "Arrive as strangers, leave as friends", so let our 4-star accommodations, wildlife encounters and nature's splendour take your breath away.

Located near the Kruger National Park, the nature reserve provides approximately 12 000 hectares of game and bird viewing, exclusively for your pleasure.

At Monwana Game Lodge experience the regal 'Big five' of South African wildlife, which includes one of the most impressive land animals on earth, the Elephant as well as the Leopard, Rhino, Lion and Buffalo. Find peace in the sound of crickets under a star studded sky or, study the resident bird life particularly the "Big Six" which includes the Saddle-billed Stork, Kori Bustard, Martial Eagle, Lappet-faced Vulture, Pel's Fishing owl and Ground Hornbill. Game drives are experienced in custom-made, open topped Land Rovers, along with a tracker and a highly experienced guide. The game drives offer exhilarating adventures, from experiencing the thundering roar of lions across an endless savannah, to catching a glimpse of a camouflaged cheetah or a hippopotamus guarding its young. Walking safaris are no less thrilling, letting oneself get in tune with nature while walking through vast landscapes.

With our trained guides and trackers and extensive knowledge of South African wildlife, guests leave Monwana Game Lodge with a not only unforgettable memories but stories that they will pass on.

Both morning and afternoon game drives are relaxed and informative. The afternoon game drive begins at the lodge with High Tea and goes on until after the sun has gone down, allowing visitors to view seldom seen nocturnal species by spotlight as they wonder out of sheltered hideouts to drink, forage and stalk.

The concept of a 'safari' paints an adventurous picture, filled with hazy sunsets and untamed wildlife, we can't wait to be part of your South African Safari experience.

* Should Monwana Lodge be fully booked over the period in which you would have preferred, we will accommodate you at Serondella Game Lodge, another lodge within Thornybush group of lodges.
